Please explain below any medical conditions we should be aware of in case of emergency:

Workplace Environment Statement for Volunteers: All volunteers are gladly welcomed into The ReBuilding Center's workplace community. Our community is founded on a common vision for healthy communities and sustainable environments. The members of this community have respect for one another and make sincere efforts to recognize each other's humanity. It is important that all volunteers conduct themselves appropriately.

The following are not permitted: smoking in undesignated areas (please ask a staff member where smoking is permissible), use and/or possession of drugs and alcohol, and any form of harassment or solicitation. In the rare cases where someone persists in demonstrating unacceptable behavior, an appropriate staff member shall take even and fair action consistent with the situation to preserve and maintain a healthy work environment.

Volunteer Safety: Safety is a high priority at Our United Villages and The ReBuilding Center. I understand that safety is everyone's responsibility, including my own. Keeping myself and others around me safe from potential injury will be my top priority while I work as a volunteer. I have read the Our United Villages Volunteer Safety Guidelines and I will follow them to the best of my ability.

Release of Liability Waiver: I hereby agree, for myself, my heirs, assigns, executors, and administrators, to release and hold harmless Our United Villages, and all its officers, directors, employees, agents, and volunteers from all claims, demands and actions for injuries sustained to my person and/or property as a result of my volunteer involvement, whether or not resulting from negligence. Arbitration will be used to resolve any conflicts, and costs will be evenly split between involved parties. I also hereby grant Our United Villages the right to use any photographs, videos, slides, audiotape, or combination thereof, for promotional and advertising purposes, and I agree to appear without pay. I hereby state that my involvement with Our United Villages is voluntary; that I am participating at my own risk, and that I have read and agree to the foregoing terms and conditions of this release.

I have read and I agree to the above:
